

## Welcome to Pre-School

Welcome to Pre-School, we are looking forward to the start of a new school year and sharing all the great learning experiences we have in store for your child. Keeping you as parents/carers involved in your child's learning is very important to us, so we would like to share some important information with you.

### Key Information

#### Reading

- Your child will have the opportunity to choose and bring home a library book each week to share with you.
- In Pre-School we share high quality texts together as a whole class during our daily story times, alongside one to one and small group story reading.

#### Home Learning

- The purpose of Home Learning is to consolidate and extend learning
- The activities are designed to be fun and engaging, sometimes your child may need support to complete these tasks.
- If your child completes any of the home learning tasks, please upload these to tapestry so we can share their work together at Pre-School.

#### Home School Communications

- The Pre-School team are available every morning and at the end of the school day
- Your child's Class Teacher should always be your first point of contact, you can arrange a phone call or book a meeting via the school office [admin@woodfordprimary.org.uk](mailto:admin@woodfordprimary.org.uk)

#### Drop-off and Collection Arrangements

- Pre-School children will enter school through their own classroom door from the playground
- The children will be dismissed from their door onto the school playground, directly to their parent/carer. If the person collecting at the end of the day is different to usual, please inform the school's admin team before pick-up

#### Snack

- Government-funded fruit is provided for Pre-School children
- Government-funded milk is provided until your child's fifth birthday.
- A milk alternative can be brought into school in a small bottle or flask but please remember that we are an allergy aware school and these products cannot contain nuts.
