

English – Writing 8 Year Overview (Autumn)

Intent: To foster a love for writing by immersing pupils in high quality texts that ignite and inspire their imaginations. Pupils are engaged and motivated to write for a range of purposes and audience and are provided with skills to do this clearly, accurately, and coherently, adapting their language and style for many different contexts.

Components:				Purposes for Writing:		
Transcription- Handwriting	Transcription- Spelling	Transcription - Grammar	Transcription – Punctuation	Writing to entertain	Writing to inform	Writing to persuade
Composition				Story, Narrative, Description, Poetry, Play script	Recount, Letter, Instructions, Poster, Explanation, Biography, Newspaper, Report	Argument, Review, Letter, Leaflet, Advert, Speech, Debate

Guiding Principles:

- Genres are to be sequenced throughout the term with a range of audiences being explored and will be revisited over the year
- Planning will follow the teaching and learning sequence: Immerse/Analyse/Plan/Write
- Teaching sequences should be linked to your bookshelf texts, the character traits and/or a cross- curricular focus. They should incorporate the grammatical content as outlined in the 8YO
- The content of this 8YO is our minimum offer for all pupils, which can be complimented with additional writing opportunities to reflect the needs and interest of the cohort and fire their interest as authors
- Additional writing opportunities that structure and support writing should be provided as part of/in addition to your sequence (E.g. *Slow Writing to focus on specific area/s of Transcription*)
