Dream big, fly high

British Science Week

Through Science in school, we aim to stimulate the natural curiosity, knowledge and understanding of all children about the world they live in. This year, we celebrated British Science Week by joining in with thousands of schools across the UK by having lots of fun exploring science, technology, engineering and maths. This year's theme is **Adapt and Change**, and gave lots of opportunities for experiments and observations including planting seeds and exploring forces. More information about the week can be found on the British Science Week website [here](#).

Ramadan and Eid Celebrations

Some of our families began marking the holy month of Ramadan at the end of February. The observance of Ramadan is considered one of the Five Pillars of Islam and lasts 29-30 days from the sighting of one crescent moon to the next. The end of Ramadan is marked by the celebration of Eid al-Fitr and in school, we will have activities in the classrooms. If any of our parents who celebrate the festival would like to come in and speak to the children about it, we would love to hear from you. If you are interested in doing this, please contact the school office to let us know your availability.

PTA Mother's Day

To celebrate Mother's Day, the PTA is inviting children to make a beautiful gift at their pop-up flower shop at school on **Friday 28th March**. Children will visit the flower shop with their class. If you would like your child to take part, please buy your gift on this [link](#) by Monday 24th March. If you have any questions, please get in touch with a member of the PTA committee who will be happy to help. Thank you for your support.

School Nursing Team Drop-in Session

Our school nursing team has organised a parent/carer drop-in session on **Wednesday 7th May** from 8.30am to midday. You will be able to book a session and ask advice on any topics that are affecting your child. More information about booking a slot will follow soon.

Staff Update

We are sad to be saying goodbye to Mrs Kellett on Friday 21st March. Mrs Kellett has worked across school and in the after-school club. We wish her luck on her next adventure.

Red Nose Day

On **Friday 21st March**, it is Red Nose Day for Comic Relief. It will be normal school uniform on that day and we kindly ask that children **do not** bring any accessories into school. For more information please click [here](#).

Parent Council Reminder

Please remember to share your feedback with your Class Rep by **Friday 14th March** and share your views on the ways in which we engage with our school community by completing the [online form](#).
