Dream big, fly high

Visitors in School

We have had a wonderful week in school and enjoyed welcoming visitors to speak to the children.

Thank you to everyone who has read to the children as part of **Secret Reader**, this has been so popular we will be adding some additional dates for the summer term.

Also this week Myra, one of our parents, came into school to talk to the children about **Eid and Ramadan**. She ran two separate workshops and the children experienced multi-sensory activities whilst learning all about this Muslim celebration. The children really enjoyed the session, and we love having parents/carers come into school. Do let us know if you are interested in coming into school and speaking to the children.

Our last visitor this week was local MP, Tom Morrison. After a tour of the school, some of the **Pupil Parliament** had the opportunity to ask Tom questions and find out more about what it is like being a local MP.

Parent Council

It was great to meet with the Parent Council this week. Thank you to everyone who took the time to share their thoughts and a big thank you to our class reps for collecting all the feedback. We have sent out to all parents and carers a summary of the Parent Council meeting, so everyone can see what was covered.

You will see from the summary that we discussed extra-curricular clubs and have sent out the summer term club offer for our children, which includes a sports club for the Reception children.

Bikes & Scooters

It is great to see the number of children scooting and cycling to school increase. Please remember that if your child attends Kids Club or an after-school club, we kindly request that they securely store their bike/scooter at the front of school, due to the school gates being locked when they leave.

Tapestry

Pre-School and Reception parents with a Tapestry account will start to receive notifications. Please feel to unsubscribe if you do not wish to receive them.

Parents' Evening

We hope that you found these meetings useful and enjoyed the opportunity to speak with your child's Class Teacher and take a look at the children's books. We really value working in partnership with parents/carers, so thank you for making the time to come into school and for the ongoing support you provide at home.

As in previous terms, we will be sending out current assessment judgments for Reception, Year 1 and Year 2 to provide you with a snapshot of how your child is currently progressing in relation to the nationally-set expectations for their year group.

Important Dates

- 27th Mar Parents' Evening
